The Club is committed to protecting and respecting your privacy. For any personal data you provide for the purposes of your membership, the Club is the Data Controller and is responsible for storing and otherwise processing that data in a fair, lawful, secure and transparent way.

The Club does not send out separate marketing communications containing information about promotions and offers and giving information about club kit, merchandise or fundraising

Any special category health data we hold on you is only processed for the purpose of passing health data to coaches to allow the safe running of training sessions and to provide you with any support you may need and which we can reasonably provide. We process this data on the lawful basis of consent. Therefore, we will also need your explicit consent to process this data, which we will ask for at the point of collecting it.

On occasion we may collect personal data from non-members (e.g. any non-member participant who takes part in a Club event). This information will be stored for two months after an event and then destroyed securely. Our lawful

basis for processing data is consent. Therefore, we will also need explicit consent from non-members to process this data, which we will ask for at the point of collecting it.

Whom we share your personal data with

When you become a member of or renew your membership with London Frontrunners as your first claim club you will be registered as a member of England Athletics. We will provide England Athletics with your personal data which they will use to enable access to an online portal for you (called myAthletics). England Athletics will contact you to invite you to sign into and update your MyAthletics portal (which, amongst other things, allows you to set and amend your privacy settings). If you have any questions about the continuing privacy of your personal data when it is shared with England Athletics, please contact dataprotection@englandathletics.org.

The Club supplies some personal data it holds for the purpose of administering the e-Bulletin to Mailchimp where specific consent to receive the e-Bulletin is provided, and does not supply any personal data it holds for this purpose to any other third party. Data provided to Mailchimp is transferred to the USA. The Club does not store or transfer your personal data outside of the UK. Where the Club does transfer your personal data overseas it is with the appropriate safeguards in place to ensure the security of that personal data.

How long we hold your personal data

We will hold your personal data on file for as long as you are a member with us. Athlete data is updated every year on annual membership forms. Any personal data we hold on you will be securely destroyed after four years of inactivity on that member's account, in line with England Athletics Limited's retention policy. Your data is not processed for any further purposes other than those detailed in this policy.

Your rights regarding your personal data

As a data subject you may have the right at any time to request access to, rectification or erasure of your personal data; to restrict or object to certain kinds of processing of your personal data, including direct marketing; to the portability of your personal data and to complain to the UK's data protection supervisory authority, the Information Commissioner's Office about the processing of your personal data.

As a data subject you are not obliged to share your personal data with the Club. If you choose not to share your personal data with us we may not be able to register or administer your membership.
